**3**  
cool products  
in one great  
package!

# PhotoFactory™

## 3 Fun Products in 1 Box!

*Clean up your photos, add special effects, and share them with your friends.*

### Kai's SuperGoo™

SuperGoo's library of Liquid Image distortion tools lets you change your image a thousand different ways.

- add dad's beard to mom's face
- create animated flip books
- stretch and twist your images to create funny faces

### Kai's PhotoSoap2™

PhotoSoap2 brings out the hidden beauty of any picture and makes sharing them with friends and family a snap.

- edit, colorize, and correct red eye on photos
- create electronic photo albums  
restore old photos
- create personalized cards and calendars
- export to the Web

### Kai's PowerShow™

PowerShow comes complete with sound, animation, and special effects to digitally enhance your photos. And sharing your PowerShow creation with an audience couldn't be easier—you're a point and click away from a flawless presentation. Bring along a digital camera to your next event, then use PowerShow to present your images on the computer, a large screen, or the Web—on the spot!

- add special transition effects
- presentations come with a viewer so everyone can enjoy
- share your presentation with friends via email
- use your photos to create computer slide shows
